

Laparoscopy / Colonoscopy / Memorial Lectureship

Objectives: Upon completion of this session, participants should be able to: (23) recognize the implications of using Entonox for sedation during colonoscopy; (24) identify and enumerate the significant risk of advanced colorectal neoplasia associated with large hyperplastic polyps; develop a plan of managing large hyperplastic polyps endoscopically both by intervention and surveillance; (25) learn of the new diagnostic technique of autofluorescence endoscopy and its potential to differentiate between metaplastic and adenomatous polyps; (26) recognize the importance of adenoma detection rate as an index of quality in colonoscopy; (27) analyze the present state of laparoscopic colorectal experience in general surgery and colorectal residency; (28) recognize the educational value of training for laparoscopic colon resection in an instructional course with a cadaver model; and (29) understand the indications and contraindications for laparoscopic approach.

- ❶ Speaker Evaluation—Please evaluate only those speakers you have heard according to the following scale:
(1 = poor; 2 = fair; 3 = good; 4 = excellent)

<i>Speaker/Topic</i>	<i>Met Objectives</i>	<i>Content</i>	<i>Effectiveness of Teaching/Learning Methods</i>	<i>Interest of Topic</i>	<i>Applicability to Your Practice</i>	<i>Quality of AV Material</i>	<i>Bias?</i>	<i>Invite Again?</i>	<i>For office use only</i>
S-23 Entonox is Superior to Intravenous Sedation for Colonoscopy...							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	167
S-24 Large Hyperplastic Polyps: Wolves in Sheeps' Clothing?							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	168
S-25 Evaluation of Autofluorescence Colonoscopy for the Detection ...							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	169
S-26 Adenoma Detection Rate: The Real Indicator of Quality in							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	170
S-27 The Gap in Laparoscopic Colorectal Experience between ASCRS.....							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	171
S-28 Adoption of Laparoscopic Colectomy: Results and Implications...							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	172

*Facing Future Responsibilities John M. MacKeigan, MD							<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	174

- ❷ Overall Evaluation of Importance of Session (4 = very; 3 = moderate; 2 = little; 1 = not at all) _____
- ❸ Do you intend to make any changes in your practice or patient care as a result of this activity? Yes _____ No _____
- If Yes, how? Comment _____
- ❹ Did the speaker(s) make proper disclosure of potential conflict of interest, and clarification to audience of faculty relationship with industry and nature of that relationship? Yes _____ No _____
- ❺ Did you perceive industry bias for or against commercial product(s), services, or commercial supporter of this activity? Yes _____ No _____ If Yes, please comment; e.g., scientific balance, objectivity, etc.
- Comment _____
- ❻ Did the speaker(s) disclose with respect to FDA Off-Label use? Yes _____ No _____
- If NO, please comment _____
- ❼ What related topics should be addressed at future ASCRS meetings?
- ❽ Comments:
- ❾ Name (please print) optional: _____

Please complete and return this evaluation to the ASCRS along with your test results
